

NDIS SUPPORT COORDINATION

Support Coordination may be included in your NDIS funding to assist you with arranging your supports. Please talk to our team if you're not sure if your plan includes funding for Support Coordination.

As a registered NDIS provider, Participate Australia will work with you so that you get the supports for your particular needs and in line with your agreed NDIS goals.

Our own activities are designed to support the achievement of these goals. Talk to us about how we can help you achieve your NDIS plan goals.

As Participate Australia is a NDIS provider, you can easily access information and your services through us. Our NDIS Provider Number is 4050002920.

Support Coordination

SUPPORT COORDINATION

Participate Australia offers NDIS Support Coordination as a new and independent service to you. We have engaged an expert team who can assist you in understanding, coordinating and implementing your NDIS plan. We can support you in selecting the right services from a wide range of providers to help you meet your NDIS goals, and we can support you in navigating any issues that may arise throughout the plan.

Our NDIS Support Coordinators can assist in the implementation of all supports in your NDIS plan, including informal, mainstream, community and funded supports. Our team can help you:

- find and understand your options;
- choose the right providers;
- assess and select formal and informal support options from mainstream, community, and disability providers;
- negotiate the supports that suit you best;
- develop service agreements and create service bookings with preferred providers;
- arrange assessments with clinical services and therapies or for home modifications;
- support you to correctly manage your NDIS plan funds and budgets through self-management or plan-management agencies/plan managers;
- manage support agreements, including understanding your responsibilities, resolving problems and changing or ending a support agreement;
- prepare and request necessary plan reviews or change in circumstances;
- assess the achievement of goals and whether the plan and budget were maximised;
- consider new goals for the next year;
- prepare for the annual NDIS review and new NDIS plan for the next year.

VARIETY THROUGH CHOICE

Our experienced team works with a variety of providers to ensure that you get access to the supports and activities that best suit your needs and your NDIS goals, be that with Participate Australia or any other provider of your choice. Our own supports and activities can be tailored to suit your needs, including individualised, small or larger group goals.
